INTERIOR:

New November 2013

Completed at Jet Aviation, St. Louis. 12 passenger interior configuration: four club chairs forward; aft cabin has a four place divan on the right side and a four place dinette on the left side. A large forward galley and aft lavatory. 1 Tossington Jumpseat. Forward single club chairs are grey tone calfskin leather. Carpet is a medium grey pile. The divans are finished in a multi-color pattern. Galley and Lavatory countertop is Corian. Chairs and divan are fire blocked to comply with FAR Part 135 requirements. The wood throughout the aircraft is a high-gloss. The Headliner has been changed to a 604 style. **Interior Fire-blocked.**

The cabin is controlled by Rockwell Collins Venue system at individual seat through I-touch controllers or at Galley by a 10.6" Galley touch screen. Located on the forward bulkhead is a 24" Rosen HD monitor and on the rear bulkhead a 26" HD monitor. The media center with integrated Blue Ray, Apple TV, Data storage Server, CD, MP3 player can be played/displayed throughout the cabin as required. New Alto Aviation cabin sound system has been installed and audio optimized at each of the passenger location. A 3M soundproofing package has been installed to quiet the cabin.

Cabin Galley is equipped with a refrigerator, Tia Microwave and Espresso maker, all new in November 2013.

EXTERIOR:

White with Grey accent stripes running the length of the fuselage. (New Nov 2013)
